Marcie Edwards

On Jan 30, 2014 Anaheim City Manager **Marcie Edwards** was nominated by Mayor Eric Garcetti to be the next **General Manager of the Los Angeles Department of Water and Power**. In February the Los Angeles City Council approved Marcie Edwards as the new General Manager of the largest municipal utility in the US. Edwards began working at LADWP in 1976 at age 19 as a clerk typist, rising to the position of assistant general manager for the marketing and the customer service business units. She has deep roots within the DWP as her father and grandfather both worked at the DWP. She left LADWP in December 2000 to serve as general manager of Anaheim's municipal water and electric utility. In her new position, Edwards faces the challenge of

maintaining relations with the department's strong labor coalition as well as balancing capital investments in infrastructure with state mandates on sustainability.

We would like to thank Ms. Edwards for taking time out of her very busy schedule to visit us at Galpin Ford.

Meeting Adjourned at 8:30PM

*The press and public are invited to attend the meeting.
The next meeting of Valley VOTE will be on June 16th, 2014 at Galpin Ford.*
