7:40pm **Assemblywoman Patty Lopez**

Assemblywoman Lopez has long had a talent for community organizing and a passion for volunteering. Over the past 15 years, she has served on various councils and advocated with parents as a volunteer at many community organizations. She has served as Educational Commissioner since 2013 for the City of Fernando. She has also served on the School Site Council for Morningside Elementary School, San Fernando Middle School, and San Fernando High School.

While serving her community through volunteer work, Assemblywoman Lopez also held a position as a Community Representative for 12 years at North Valley Occupational Center. As a Community Representative she was a liaison between schools, planned community events, and coordinated the ESL/CBET programs which supported teachers, parents, and students. In the California State legislature, Assemblywoman Lopez strives to make a difference in education as she believes education is the key to improving the quality of life for youth, their families, and our future. She has authored bills that look to protect students, working families and social services.

Assemblywoman Lopez has been a resident of the City of San Fernando and married to her husband, Juan Lopez, for 29 years. She has four daughters and one grandchild.

We are very pleased to have Mrs. Lopez take time out of her busy schedule to be with us. We understand how difficult it is with her Sacramento schedule to attend a Monday evening event.

8:10pm **Lucy M. Burghdorf and Mark Hardymant**

Lucy M. Burghdorf is the Director of Public Affairs and communications for the Burbank Bob Hope Airport. She is the spokesperson for the Airport and focuses on public relations and airport communications. MS. Burghdorf has been a member of Airport staff since 1995. A lifelong Burbank resident, she was educated at Burbank schools and holds a Bachelor of Science degree in Business.

Mark Hardymant is an accomplished business leader with more than 29 years' experience in facility and operations management. He is Director of the Noise & Environmental Programs for Burbank's Bob Hope Airport and represents the airport in its contact with outside agencies, official and elected office holders.

Mark has held management responsibilities for the past 22 years. Mark graduated from California State University, Northridge with a B.S. in Business Administration.

They will bring us up to date on future plans for the Burbank Airport.
